

Bibliography of John K. Locke's Writings

By Gregory Sharkey

Extracted from Sharkey, Gregory. 2009. Scholar of the Newars: The Life and Work of John K. Locke. *Studies in Nepali History and Society* 14(2): 423-440.

Father John K. Locke, SJ (1933-2009) was a gifted linguist, diligent scholar and popular teacher who will be remembered, not only for his seminal writings and lectures, but for the advice and direction he gave to a generation of younger anthropologists and sociologists of religion whose own work was inspired, in part, by his research and teaching. Such is the number of Nepali and international scholars indebted to him that it is no exaggeration to describe him as the founder and longtime dean of the discipline of Newar Buddhist Studies. [Further details about Locke's life and work can be found in the above cited article by Sharkey - ed.]
